CBS, owned by Paramount, just acquired the Free Press, Bari Weiss' independent news outlet and made her editor-in-chief.

Bari Weiss is a mouthpiece for the Israeli propaganda machine – and she's now the editor-in-chief of one of America's major news outlets, one that has been notoriously neutral in coverage. Now, it will have a staunch pro-Israel, pro-genocide stance. Help us hold CBS accountable and demand they DROP Barri Weiss!
