

# **THE U.S. BOMBED IRAN! REJECT ENDLESS WARS!**

ONCE AGAIN, THE U.S. IS LAUNCHING ANOTHER WAR OF AGGRESSION IN THE MIDDLE EAST, JOINING ISRAEL'S UNPROVOKED AIRSTRIKES THROUGHOUT IRAN. THIS FOLLOWED ISRAEL'S BOMBING CAMPAIGN ON TEHRAN, IRAN'S CAPITAL CITY. BOTH THE U.S. AND ISRAEL ARE CLAIMING THEY ARE PURSUING "PEACE THROUGH STRENGTH." PEACE CAN ONLY BE ACHIEVED THROUGH DIPLOMACY, NOT BOMBING!

## **KNOW THE FACTS**

- Iran is a part of The International Nuclear Non-Proliferation Treaty (that prevents the spread of nuclear weapons) while Israel is not.
- The U.S. intelligence community concluded this year that Iran does not have plans to build any nuclear weapons. Israel & the U.S. do currently have nuclear weapons.
- Iran and the United States had a comprehensive nuclear deal until 2018 when President Trump pulled the U.S. out of it. Iran did not abandon a nuclear deal with the U.S., the U.S. did!
