

WARNING!

This book's author is a

WAR CRIMINAL

War criminals must be
held accountable.

If they're not, it sends a
clear message to future
elected officials and
political appointees that
they are not required to
uphold the basic tenets of
**human rights and
international law.**

Cory Booker's

WAR CRIMES:

Senator Booker has received
\$893,998 from pro-Israel
lobbying groups.

He opposed the UN Security
Council Resolution 2334, which
affirmed Israel's obligation to
abide by the Geneva Convention
in regards to the occupation of
the Palestinian Territories

Supported the Israel Security
Assistance Authorization Act of
2018 that secures \$3.3 billion
annually to Israel on top of
other military weapon deals.

Sen. Booker has repeatedly
declared his "unwavering
support" for Israel's "right to
defend itself." But bombing
hospitals and killing hundreds of
thousands of civilians is not
self-defense.

After Israel killed hundreds of
thousands of people in Gaza,
Sen. Booker voted to send Israel
more bombs
