Pete Hegseth's WAR CRIMES:

Pete Hegseth is the Secretary of Defense who facilitated the the US-bombings of Iran in 2025. Previously in 2020 he called for massive strikes on Iran.

Hegseth also coordinated the bombing of Yemen where thirty-one people died, and hundreds of others were injured including women and children.

Hegseth has repeatedly declared his "unwavering support" for Israel's "right to defend itself." But bombing hospitals and killing hundreds of thousands of civilians is not self-defense.

Hegseth oversees the \$1 trillion Pentagon budget that steals money from working people and funnels it into endless wars.
