War criminals must be
held accountable.

If they're not, it sends a
clear message to future
elected officials and
political appointees that
they are not required to
uphold the basic tenets of
**human rights and
international law.**

Mike Pompeo's WAR CRIMES:

Pompeo has repeatedly declared his "unwavering support" for Israel's "right to defend itself." But bombing hospitals and killing hundreds of thousands of civilians is not self-defense.

Pompeo illegally bypassed congress to send \$8 billion in weapons to Saudi Arabia that was then used to bombed civilian infrastructures in Yemen.

Pompeo sanctioned members of the International Criminal Court for their investigation of potential U.S. war crimes in Afghanistan.

While CIA director, Pompeo encouraged more secret done strikes that killed civilians in Yemen, Somalia and Afghanistan.

Pompeo led brutal sanctions against Iran, Venezuela, Syria and Cuba causing thousands of preventable deaths.
