OF GENOCIDE

- Harris has received over \$9.5 million in funding from pro-Israel lobbying groups.
- The Biden/Harris administration funded and supported Israel's genocide of Palestinians in Gaza.
- In 2024, Harris refused to allow any Palestinian voices to speak at the Democratic National Convention, appeasing Zionist donors.
- Harris has repeatedly declared her “unwavering support” for Israel’s “right to defend itself,” but bombing hospitals and killing hundreds of thousands of civilians is not self-defense.
