

WARNING!

This book's author is a

War criminals must be
held accountable.
If they're not, it sends a
clear message to future
elected officials and
political appointees that
they are not required to
uphold the basic tenets of
**human rights and
international law.**

Kamala Harris's WAR CRIMES:

Harris has received
over \$9.5 million dollars
in funding from pro-Israel
lobbying groups.

The Biden/Harris
administration
funded and supported
Israel's genocide
of Palestinians in Gaza.

In 2024, Harris
refused to allow any
Palestinian voices to speak
at the Democratic National
Convention, appeasing
her Zionist donors.

Harris has repeatedly declared
her "unwavering support" for
Israel and its "right to defend
itself."
But bombing hospitals and
killing hundreds of thousands of
civilians is not self-defense.
