

ICE OUT!

NATIONWIDE SHUTDOWN JANUARY 30TH

NO SCHOOL • NO SHOPPING • NO WORK

The courageous people of Minnesota have shown us the importance and power of community action against ICE's reign of terror! That's why we are joining their call for the entire country to SHUT IT DOWN.

We join their call to action here in our community by expanding the nationwide shutdown!

As long as ICE continues to terrorize and murder with impunity, we cannot continue business as usual. On Friday, January 30th, join a nationwide day of no school, no work, and no shopping.
