# **If You See A Handful Of Spam Sign-ups In Your Nationbuilder**

Option 1: Delete the profiles individually
- Click into each profile
- Go to settings
- At the bottom of the screen, select "Delete (name of profile)"

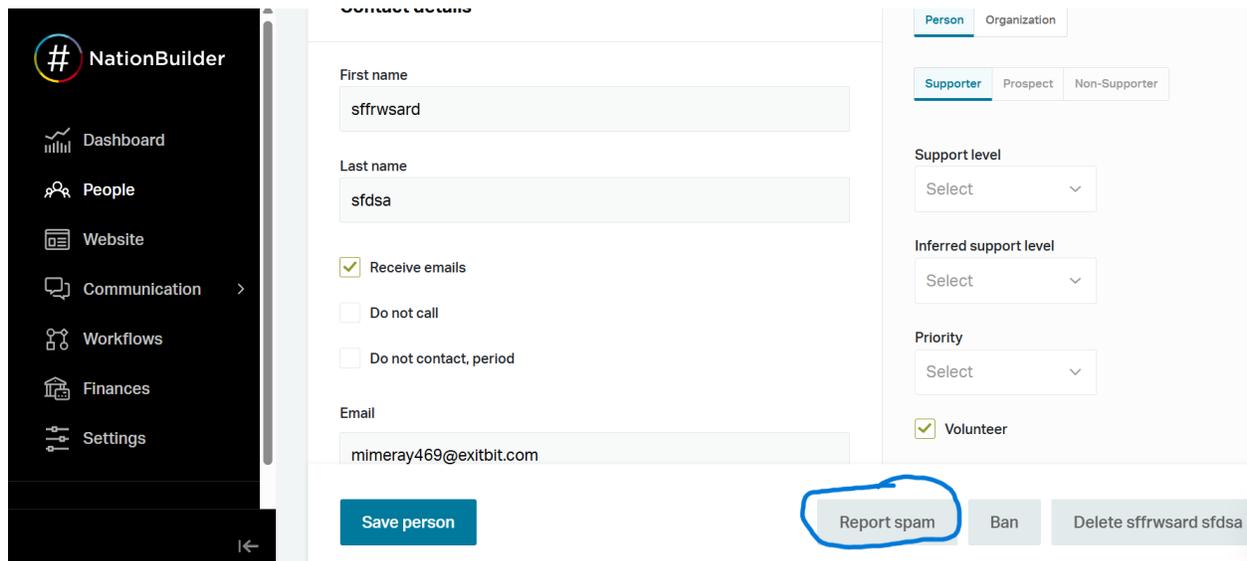

Option 2: Batch delete the profiles
- Add spam profiles to a list
  - For instructions on how to make view this page.
- In the list, in settings, click "delete people from nation"
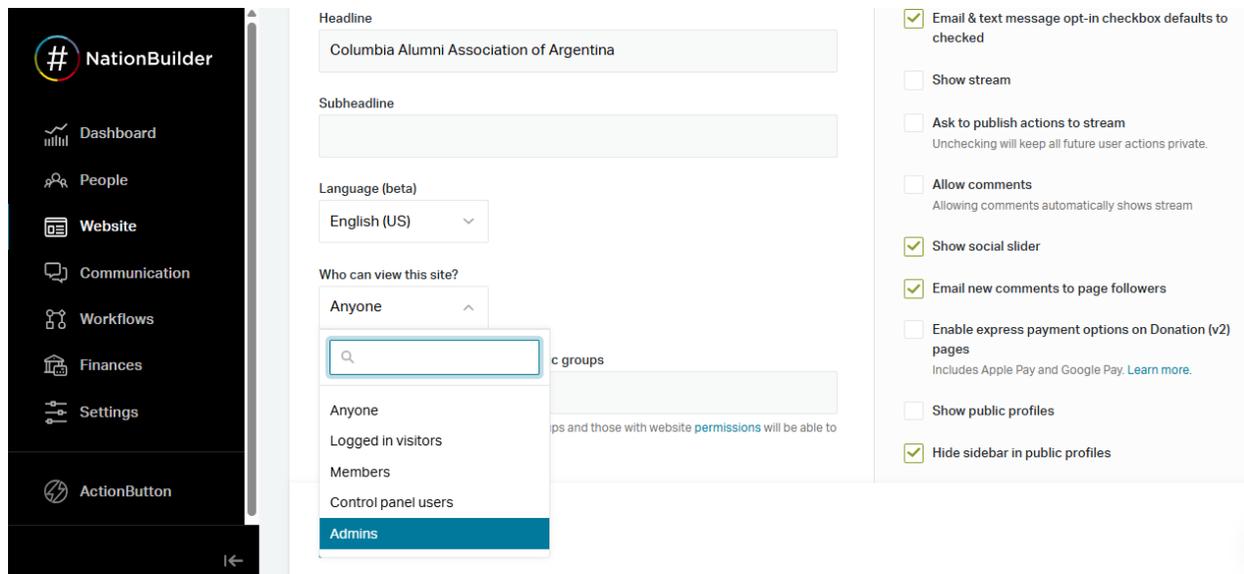

Option 3: Report the profiles as spam
- Click into each profile
- Go to settings
- At the bottom of the screen, select "Report spam)"

If You See A Large Number Of Spam-related Sign-ups In Your Nationbuilder

Option 1: Set the subnation to "Admin View Only"
- Go to "Website"
- Click on "Site Settings"
- Scroll down to "Who Can View This Site?"
- Select "Admins"
- Click "save site" at the bottom of the page

Special Note: If you set your subnation to "Admin View Only", please reach out to Stanley Clark, alumni engagement coordinator **(sc5407@columbia.edu)** and the Columbia Alumni Association (caaalumnirelations@columbia.edu) so we can help address this issue with our partners at Nationbuilder.
