The Congregation at Duke Chapel

*For as in one body we have many members,
and the members do not all have the same function,
so we, though many, are one body in Christ,
and individually members one of another.*

Romans 12:4-5

Whether it be a brief, single encounter or the daily fellowship of years, Christian community is only this.

We belong to one another only through and in Jesus Christ.

Dear Friends in Christ,

In the annual meeting in June of this year, Dean Powery reminded us of the importance of the Congregation in the life of Duke Chapel. We are a community of many, with different gifts, and together we are one body in Christ working together. The Stewardship and Finance Committee asks that you reflect on what the Congregation at Duke Chapel means to you and all the Congregation accomplishes with your support.

Our budget for 2023-2024 has increased to \$404,288, an increase of 7% over the previous year. When staff time is included, Mission and Outreach make up 32% of our total budget, with nearly \$80,000 going directly to local missions.

We face a transition to a new senior pastor which may require flexibility in our current budget. As we pray for God's guidance through our stewardship campaign, please consider this when completing your pledge card for next year.

Please indicate your financial support by returning the enclosed Financial Commitment Card. We ask that the cards be returned by November 1st. Also remember we have a new online giving platform, Breeze, as a convenient way to give.

Thank you for your continued financial support of the Congregation and the exciting opportunities we have to share Christ's love with others.

With kind regards,

Dan Thomas
