

# SUSTAINABLE FASHION DESIGN CHALLENGE

Put your design skills to the test with  
Corethics Sustainable Fashion design challenge.

Corethics is challenging emerging and established  
designers to create unique,  
sustainable fashion items for a chance to **WIN \$500!**

Shortlisted designs will be exhibited in the month of February at Charlestown  
Square thanks to GPT Group. Garments will then be auctioned at the Corethics  
Gala event in Newcastle. Proceeds from the auction will fund Corethics project  
**#Waste4Wealth** supporting healthier waterways and community in Bali. The  
garment that attracts the highest bid on the night wins \$500 in GPT gift cards.
