Will efforts will be taken by your organization to reach youth from one or more of these target groups?

Yes No

If yes, which group(s) will your organization target

Indigenous Youth

Black Youth

Other Racialized Youth

Disabled Youth

Please describe how you will increase workplace diversity and capacity for inclusivity in hiring.

Maximum 750 characters

Disclaimer:

I confirm that my organization understands that funding provided through the CPRA Green Jobs Initiative is to cover costs for salary and Mandatory Employment Related Costs (MERCs) only. All contributions made by CPRA on behalf of Parks Canada will be matched by my organization, and no other federal funding will support the positions proposed in this application.

I confirm that my organization understands that submitting this application does not guarantee funding or approval. I further confirm that we understand we may be required to submit additional information before the application is approved.

I confirm that my organization understands that participants in this program must meet all eligibility requirements. To confirm eligibility, I will have the participant complete the Participant Information Form BEFORE hiring to avoid hiring an ineligible participant, for whom my organization will not receive any funding.

I confirm that my organization understands that if this application is approved, the applicant will be required to follow certain rules and regulations regarding the approval and funding processes, as well as the management and hiring of positions under the CPRA Green Jobs Initiative. The full details of such rules and requirements will only be made known to successful applicants. A failure to abide by said rules and requirements may result in the forfeiture of funding.

This project is funded by the Government of Canada (Parks Canada).
