## Circle of Security Presented by: **Charlie Slaughter**

The Circle of Security model focuses on secure attachment and supports parents and care-givers to :

- Understand their child's emotional world by learning to read emotional cues
- Support their child's ability to successfully manage emotion
- Honor the innate wisdom and desire for their child to be secure
- Enhance the development of their child's self-esteem

Come learn about how Waterbury is working to become a city-wide community of attachment
