Detention Sergeant Jerome Moore  
Adult Detention Division

Minneapolis, MN 55415

**Oral Reprimand**

Detention Sergeant Moore,

On 02/26/17, you had an unintentional deployment of your TASER in the supervisor locker room of the PSF. You initially sent an email to Lt. Strongitharm notifying her of the incident. On March 6<sup>th</sup> I spoke with you regarding the incident and you declined union representation while we discussed the incident. You stated that you had forgotten your TASER in the locker room and one of your peers pointed out the fact that you did not have your TASER with you. You also stated that you hurriedly went back to the locker room to retrieve your TASER and while holstering the device, it accidentally discharged. You admitted that you were in a rush and you were not sure how the TASER went off.

Hennepin County Sheriff's Office Policy states in part:

**309.3 ISSUANCE AND CARRYING OF THE TASER®**

(e) Deputies are responsible for the safe handling and security of their assigned TASER®.

For the violations stated above, you have been issued this Oral Reprimand. Any future violations relating to your issued TASER may result in progressive discipline up to, and including dismissal.

Sincerely,

A handwritten signature in black ink, appearing to read "S-H", followed by a long horizontal line and a curved flourish.
