

Hands Off Our Post Office - Stop the Cuts

WHEREAS the Federal Government has announced drastic cuts to our treasured public post office – eliminating good jobs, ending door-to-door delivery, removing the moratorium protection on post office closures, and changes to delivery standards for the mail.

WHEREAS the Federal Government has done this without meaningful public consultation and has made this decision unilaterally prior to a planned Canada Post Corporation Review from October 1, 2025 to March 31, 2026, effectively eliminating any opportunity for input from the people who will be most affected;

WHEREAS thousands of postal jobs will be destroyed and four million households will lose door-to-door delivery, most within next few years;

WHEREAS post office closures could degrade or completely remove service in many communities;

WHEREAS these cuts will hurt seniors and people with disabilities in particular;

WHEREAS it is crucial for the Government and mandate review to hear the views from municipalities on key issues, including maintaining Canada Post as a public service, the importance of maintaining the moratorium on post office closures, improving the *Canadian Postal Service Charter*, keeping daily home mail and parcel delivery to the door, improving postal banking, greening Canada Post, adding EV charging stations, adding food delivery, improving delivery to rural, remote and Indigenous communities, and developing services to assist people with disabilities to help older Canadians to remain in their homes for as long as possible – and at the same time, helping to ensure that good jobs stay in their communities and that Canada Post can remain financially self-sustaining;

THEREFORE, BE IT RESOLVED that (name of municipality) formally writes the Minister of Government Transformation, Public Works and Procurement, Joël Lightbound, to:

- Demand an immediate halt to the service cuts, and to look instead for ways to increase services and revenues in other areas, such as those as noted above,
- Demand that no mandate review takes place until Canada Post returns to stabilized operations, and;
- Demand that any review of Canada Post and the *Canadian Postal Service Charter* must be done through a full and thorough transparent public review, including public hearings, with all key stakeholders, in every region of Canada;

THEREFORE, BE IT RESOLVED that (name of municipality) will make a written submission and/or participate in hearings to provide input in the upcoming mandate review of Canada Post.
