### **Deschutes Republicans Applaud President Trump's Appointment of Lori Chavez-DeRemer as Labor Secretary**

**BEND, Ore.** – We are incredibly proud of **Lori Chavez-DeRemer** for her appointment as **Labor Secretary** by **President Trump**. While some Republicans have expressed concerns about certain votes during her time in Congress, it's important to recognize that she represented **Oregon's 5th Congressional District**, a politically diverse area that leans Democrat. Her record as one of the most **bipartisan legislators** in the U.S. House demonstrates her ability to bring people together and find common ground.

President Trump's decision to appoint Lori speaks to her **commonsense approach** to labor and business. As a **business owner herself**, she understands the balance between **protecting workers' rights** and **promoting pro-growth policies** that benefit businesses, employees, and the economy alike. Her appointment reinforces President Trump's commitment to policies that uplift **working-class Americans**—a key pillar of today's **Republican Party**.

The **Republican Party is now the party of the working class**, while Democrats have become the party of **Big Money and Corporate Elites**. That's why **union members, like Teamsters President Sean O'Brien**, have voiced support for President Trump, recognizing the real impact of his policies. As one example, under his leadership during his first presidency, Americans saved **\$11,000 per household** thanks to deregulation efforts that cut through unnecessary bureaucracy and helped working families thrive.

Last November, the American people voted for **President Trump** because they trust his vision. We are confident that **Lori Chavez-DeRemer** will **honor that mandate**, uphold **pro-worker, pro-business policies**, and help build a stronger, more prosperous America for all.
