

It's time for \$20

Premier Doug Ford transferred more than **\$1 billion** from workers' pockets to corporate profits!

- In 2018, Doug Ford canceled the \$15 minimum wage.
- As a result, workers lost between \$3,000 and \$6,000 in wages.
- Workers' forced Ford to bring back the the \$15 minimum wage, but it is too little too late. It's time for \$20.
