## TIRED OF GREEDY CORPORATIONS?

# SUPPORT *metro* WORKERS

3,700 Metro workers at 27 stores are currently on strike for better wages, adequate hours, and job security. **If they win their fight, it will make it easier for the rest of us to win decent work.**

### DID YOU KNOW?

- Last year, Metro made nearly \$1 billion in profit
- 2023 profits are already 10% higher than last year
- Metro CEO Eric La Flèche pocketed \$5.4 million, including a whopping 15% increase in his bonus

**Clearly, Metro can afford to pay its workers fairly.**

## **CHANTS & CHEERS**

We work hard, every day!  
We deserve better pay!

Workers united, will never be defeated!

What's outrageous? Poverty wages!

Hey Metro, come off it!  
It's time to share your profit.

Who's got the power? We got the power!  
What kind of power? Worker power!

They got the money, they got the lies!  
But we got the power when we organize!

United, we fight  
When we fight? We win!

We're going to beat back the corporate attack!  
We're gonna beat, beat back the corporate attack!

Metro workers under attack,  
What do we do? Unite, fight back!

Ain't no power like the power of the people,  
cause the power of the people don't stop!  
Say what? (repeat)
