

# FULL IMMIGRATION STATUS FOR ALL

**MIGRANT SPRING**  
**Mar 16 - 12 pm - Christie Pits**

Migrants live here. We have deep roots. We grow and care for communities. But we are denied equality because we are denied permanent resident status. The richest few are scapegoating us, using racism to blame us for the affordability crisis.

Join us in *Migrant Spring*. Let's unite against racism and win status for all.

## REGULARIZE EVERYONE

Immigration Minister Marc Miller promised to bring regularization to the Cabinet in the Spring. Let's hold him to his word and ensure it means permanent resident status for all undocumented people, no exceptions.

## JUSTICE FOR CARE WORKERS

The clock is ticking for migrant care worker programs expiring on June 17. Without replacement, thousands of racialized migrant women who take care of children, sick, and elderly face deportation or may become undocumented. Already, many are denied permanent residency because of unfair language testing and education accreditation requirements.

## UNITE AGAINST RACISM

Landlords are raising our rents beyond reach, grocery monopolies are making it harder to put food on our tables, and bad governments are privatizing healthcare and education. They are scapegoating im/migrants because racism is a strategy to divide and distract us. We reject xenophobia and will hold those responsible accountable.

Join us in launching *Migrant Spring*. Let's reject division, poverty and inequality. Together, we will cultivate a future where everyone can thrive.
