

FULL IMMIGRATION STATUS FOR ALL

MIGRANT SPRING
Mar 16 - 12 pm - Christie Pits

Migrants live here. We have deep roots. We grow and care for communities. But we are denied equality because we are denied permanent resident status. The richest few are scapegoating us, using racism to blame us for the affordability crisis.

Join us in launching *Migrant Spring*. Let's unite against racism and win status for all. Together, we will cultivate a future where everyone can thrive.
