

Nominated as candidate for DA Italy Treasurer:

Lynn Chasson – Florence

I'm Lynn Chasson and I've been living in Milan for 20 years. I joined Democrats Abroad in 2002 but have been involved in the Leadership Team only since 2017.

I like being part of Democrats Abroad because it allows me to continue to play a part in America's democratic process, something that I feel is important no matter where we live.
