

**Nominated as candidate for DA Italy Legal Counsel:**

**Michael Stiefel – Rome**

A native New Yorker, but a Roman by adoption, I have been practicing law in Italy since 1998.

I have had the honor of serving as National Counsel to DA Italy over the past two years. I have enjoyed working together with a team of dedicated people and providing support on legal issues.

If chosen by our electorate for the position of Counsel in the important two years that lie ahead I will continue to support Democrats Abroad Italy's initiatives and contribute to making them as incisive as possible.

I will do what I can do to:

- a) stand up for and protect inalienable and universal human rights;
- b) support and promote progressive and humane policy initiatives across the board;
- c) help our Democratic Party to get back in touch with its base.

If elected, I also hope to provide useful information and guidance to persons who may be interested in taking on the National Counsel position in two years.
