2020 NC Republican Party State Convention Registration Ends 6/18/2020

Have you registered yet?

Yesterday at 8:38 AM

From [NC Republicans](#) >

To [Gail Breed](#) >

Gail -

It's Monday and you're getting your week started, so we'll keep this short.

We need you to register for the NCGOP State Convention. The deadline is literally four days away and there won't be on-site or day-of registration.

You can register with this link: <https://www.nc.gop/state-convention-2020>

If you could take the time to do it now, that'd be greatly appreciated.

REGISTER FOR PHYSICAL

REGISTER FOR VIRTUAL

Haven't convinced you yet? We'll have key-note speakers, Senator Tillis, Dan Forest, and other statewide and local candidates.

This year is HUGE and you won't want to be left out - especially for the price of \$75.

If you don't have the time now, you can keep the link for later. Please, just don't forget!

Thanks so much,
