The committee was updated regarding the Election Integrity Committee.

Good News! Lady Up America Workshop was a success. We look forward to placing 2500 copies of the Constitution into our local schools for 8th graders and high school students. They will be shipped directly to the Board of Education in Washington. Chair Garriss report she is securing Bibles for schools that want them.

Kelly Hopkins, Beaufort County Board of Elections, gave an update on the constantly changing rules regarding the elections. She also noted that she was seeking poll workers for November 8, Election Day. Kellie noted poll workers will work from 6:30 am until 9:30 pm on Election Day. She also answered many questions from the audience.

Three Board of Education candidates addressed the committee: Gary Carlton, Charles Hickman, Donald Shreve

The common theme of their comments centered around school security, test scores, basic education, parental rights, and parental opting out. We have some real issues to address in our schools.

The Reagan Republican Rally still has tickets available. We have 2 candidates and 3 guests slated to speak. The committee continues to request assistance with appetizers for this event.

Chair Garriss gave us motivational comments and kicked off Operation Victory. This is our aggressive plan to get out and represent every Republican on the ticket.

Chair Garris announced poll observer training will be Saturday evening, September 17 with pizza at 5:30. Training to begin at 6:00.

Respectfully Submitted By,
April Holloway, Secretary
