Chair's Corner - The Truth Comes Out

There is a smartphone app game called, "The Truth Comes Out." It pits you against your friends and asks them different questions that are funny, and sometimes can be embarrassing. This past week the truth came out about Roe v. Wade. The Politico released a Draft of the upcoming SCOTUS ruling that is expected in June, over a decision of a Mississippi law.

For myself, as the Chairman of the County Party, the truth comes out. I am a Republican because of the Abortion question. I am unapologetically Pro-Life. I believe life begins at conception. I will fight to preserve life. I would even give up Capital Punishment, if it took the argument away from the Progressive Democrat Party. Yes, women have a choice, but so does the human being in their womb. There is more protection in the US over a Migratory Bird's egg, than a human baby. The same is true of a baby seal, or nesting turtle eggs, and Little Brown Bats. Many argue when life is viable.

Current technology is able to help babies as young as 23 to 24 weeks gestation. That has come a long way since 1973. This week Senator Chuck Schumer will force his party on the record. The Women's Health Protection Act, a law that has past the House, that says Abortion is legal unit late in the ninth month, even as late as just before birth. That is appalling.

Just as Covid-19 was used to change the 2020 Elections, now it it seems that the Abortion Question will be the hook, used by the Left to control the 2022 Elections. Again we see elections have consequences. Where do you fall in the debate?

2000 Mules Watch Party -

The 2020 presidential election was rife with fraud orchestrated by the Democratic Party. That's not just an accusation; it's now, thanks to bestselling author and investigative journalist Dinesh D'Souza, an established fact. With eyewitness testimony and the pinpoint precision and analytic sophistication of the forensic technique of geotracking, D'Souza demonstrates how an already corrupt system put in place by Democratic Party hacks and "community organizers" was taken over and supercharged by national-level operatives to produce massive voter fraud. The key figure: the mule. A paid cut-out. A criminal deliveryman. The stooge found at the intersection where election cheating and double-dealing hit the road. The mule is the crook who physically takes a sack of ballots provided by shady NGOs and political machines—the "community activist organizations" made famous by former President Obama, for instance—and, like some nefarious Johnny Appleseed, dumps those ballots in collection boxes throughout a voting district. Do enough of this, and you have planted voter fraud across a nation. Documentary filmmaker extraordinaire and bestselling author of *America, Death of a Nation*, and *United States of Socialism*, Dinesh D'Souza exposes powerful evidence of the colossal voting racketeering that you were told didn't exist. Here you will find the receipts—the transcripts and confirmatory details—for the facts establishing 2020 election fraud presented in D'Souza's major motion picture documentary, *2,000 Mules*. D'Souza makes a powerful argument that 2020 was a stolen election. More important, D'Souza *proves* it. We are hosting a Watch Party on Saturday Night, May 14th, 2022 at the OCGOP HQ beginning at 6:00pm. Bring your Favorite Snacks.

Primary Election Day 2022 -

The Primary Election day is on Tuesday, May 17th, 2022. Polls Open Statewide from 6:30am to 7:30pm. It will be a busy day for all of our Volunteers. We want to invite all of our Fellow Conservatives to join us as we begin to watch the returns come in, as we Celebrate our general election candidates earning their spots on the Fall ballot. You can drop in at the OCGOP HQ anytime after 7:00 PM. Of Course we will be open all day from 9:00am on as well on Election Day. We will have Pizza and Drinks available, but we will leave it up to you to add to our table with veggies and desserts that you want to drop off and share for the event.

Orange County School Board Race -

On the Primary Ballot is the OCS Board Race on the R0006 Ballot for Northern Orange County. The Race is Non-Partisan and there are no Republicans involved. Therefore your County Party Leadership has decided to back the following Candidates: **Penny Carter-King, Bethni Lee, Anne Purcell and Andre Richmond**. These candidates are not Progressive and are for supporting Teacher Retention, Teaching Kids what they need to continue in Life, School Safety, and not pushing CRT/SEL as the previous board has pushed. Gavin McClure has withdrawn from the race.
