Chair's Corner - For those who don't understand?

You may have friend that does not understand why you are engaged and enraged. The following pictures may help them, as they are use to pictures on CNN and/or MSNBC, and are susceptible to being told what to do.

You can help save another Liberal from further harm! There are only 3 months until the 2022 General Election. We need your help. It's time to assemble. Help us sound the call.

In the Cause of the Right,

Rev. John B. Gaither,
Chairman,
Orange County Republican Party

The 4th District is Flip-able – There has not been a time in the last 30 years that we really could send a Republican to DC from Orange County. 2022 will be our best chance. In a District that is normally +37 Democrat, we are near +16 Democrat, with that, voter dissatisfaction with the policies of Joe Biden, you can help narrow the gap. The Seat is open with the retirement of David Price, and the mainline Democrat Party members are still fuming over the Primary, and how the Dems are running the party in Carrboro. Regular long time Liberals are tired of Progressive Policies, and looking for a reason to vote Republican. Courtney is the reason they need. There are several ways to help her win in the Fall. These dates and links are more Courtney's Campaigns, OCGOP may have similar opportunities to sign up for.

1) Beach Vacation Rental Raffle - We have a great opportunity for you to support the Courtney Geels for Congress campaign while also having the potential to win a weekend at a 4 bedroom/2 bath Oceanfront cottage on Emerald Isle August 27-30!! 3-2-1 - Remember this Fall's General Election comes down to flipping 3 NC House seats, and 2 NC Senate seats to have Veto proof majorities. And gain one of two NC Supreme Court seats, to gain the majority conservatives on the states High Court. With all three Roy Cooper's chances of running for President disappear in 2024. We need you to help. All hands on deck to the end.
