Annual Lincoln Reagan Dinner was a Major Success!

“Oh what a night ,” with a full house of enthusiastic conservatives gathered to hear an energized and informative message from our NC Republican Party Chairman, Michael Whatley. Chairman Whatley did not disappoint.

Many of our most faithful volunteers, guests who were joining us for the first time, elected officials from across the county and many of our party’s Executive Committee, showed up to have some fun and spend some quality time together.

It turned out to be a very successful fundraiser. With the proceeds from many generous sponsors and our raffle baskets (donated by some kinds members), we exceeded our fundraising goal.

Tremendous thanks to our Lincoln Reagan Dinner Committee, Lynn Norwood, Al Hegarty, Phil Cordeiro and Charles Norwood. **Great job, guys.**
