# **TERESA (TERRI) BLUMER**

**CEO BLUMARE RESEARCH  
MOTHER OF SON WITH AUTISM**

## **OBJECTIVE**

---

Our company's mission is to provide innovative quality products and create true opportunities for the special needs community.

## **SKILLS**

---

I excel at managing people and bringing fairness into the workplace by providing objective perspective, solid organization and business skills.

## **EXPERIENCE**

---

### **CEO • BLUMARE RESEARCH • JAN 2020 – PRESENT**

I ensure overall company efficiency & profitability, manage HR, evaluate markets and determine maximum exposure for each product. Also work toward inventing and patenting new products.

### **MOTHER OF ADOPTED SON WITH AUTISM • NOV 2006 TO PRESENT**

Loved, cared and advocated for our son in all aspects of his life especially in the school setting. Taught him to respect and honor all people and that anything is possible if you work hard.

### **GROUP FITNESS MANAGER**

- **FITNESS CONNECTION • 2016 –2019**
- **YMCA OF CHARLOTTE • 2008 – 2010**
- **WACHOVIA HEALTH & FITNESS • 2003 – 2006**

I coordinated and managed a team of instructors for Group Exercise classes. I was able to determine which instructors were a good fit for our team and took initiative to hire more when needed. I would routinely audit my team and provided feedback on their performance and contributions to our program. I handled any complaints from our members and worked on building better relationships within our club.

## **VOLUNTEER EXPERIENCE OR LEADERSHIP**

---

Served 2 years on the Special Needs Advisory Committee for Union County Schools representing parents for the SunValley District.

Served 3 years on the Management Team Board of First In Families (a division of the ARC Society)

Served on Parents of Collaborative Leaders Board (3+ years) and Parents Advisory Board (3+ years). These groups work with local leaders to create better solutions (medical, scholastic, jobs, society, etc.) for all Special Needs individuals.

Room mom in Exceptional Children's classes at various schools.
