

VOTE YES ON HB 2076:

“EXPAND FAIRNESS FOR UBER & LYFT DRIVERS!”

Dear Washington State Senators:

We are calling on you to expand pay and protections for Uber and Lyft drivers statewide.

Drivers organized with Drivers Union have won groundbreaking protections in the City of Seattle – paid sick days during the pandemic, deactivation protections, and a nation-leading minimum wage.

The Seattle law has improved driver lives, but outside of Seattle drivers struggle to make ends meet because of low pay and few protections.

Drivers all across the state – from Tacoma to Spokane, and from Bellingham to Vancouver – all deserve to be paid fairly, to have benefits like paid sick days, and to be protected from unfair deactivation.

We call on you to take action to Expand Fairness in 2022.

Sincerely,
