Private Members Business Notice No. 2 – Mr Parton

Amendment proposed by Chris Steel MLA

*Omit (3) and (4), and substitute*

- (3) Calls on the ACT Government to consider the adoption of free public transport for concession card holders as a form of cost-of-living relief for those who are in the greatest need.
- (4) Calls on all party leaders and independent Members to write to the Prime Minister to:
  - (a) strongly urge him to temporarily reduce the level of federal petrol excise as a cost-of-living measure during the fuel supply crisis
  - (b) seek federal funding to enable the provision of:
    - (i) free public transport for the duration of the fuel supply crisis;
    - (ii) 50 cent fares for the period beyond the crisis; and
    - (iii) an uplift in investment in public and active transport infrastructure; and
- (5) Calls on the ACT Government to provide a comprehensive update on the fuel supply situation and the impacts on the ACT to all members of the Legislative Assembly by Tuesday, 31 March.
