

Ms [REDACTED]
Nominated Supervisor
RE: St John the Apostle OSHCLUB

Email: [REDACTED]

Dear Ms [REDACTED]

Show Cause Notice – Potential Compliance Action

1. I am a delegate of the ACT Regulatory Authority (the Authority), also known as Children's Education and Care Assurance (CECA).
2. As you may be aware, the Authority is the regulator of education and care services in the ACT and has the responsibility of monitoring and enforcing compliance with the *Education and Care Services National Law* (the *Law*). One of the Authority's roles is to investigate suspected offences under the *Law*.
3. The Authority is currently investigating multiple suspected offences at St John the Apostle OSHClub - SE-40008497 (the Service) operated by OSHCLUB PTY LTD – PR-40004402 (the Provider). Web addresses to the *Law* and the *Education and Care Services National Regulations* (the *Regulations*) are provided for your convenience at the end of this notice.
4. Authorised Officers have obtained evidence from other sources and the Authority has determined that the Provider has a case to answer regarding suspected offences. However, the Authority's investigation is not complete until you as the Nominated Supervisor have had an opportunity to respond to the allegations and evidence obtained by the Authority. This is the reason for sending this Show Cause Notice (Notice) to you. Detailed instructions of how to respond appear at the end of this Notice.
5. If substantiated, the allegations may constitute offences under sections 166 and 167 of the *Law*. If, after considering all available evidence, the Authority finds any offences are substantiated on the balance of probabilities (or any combination of them) it will need to consider whether compliance action is required.
6. Where offences under the *Law* are substantiated, the Authority considers many factors when determining appropriate action, the focus being on ensuring future compliance and improved outcomes for children, rather than punishment. Further details regarding potential compliance actions appear at the end of this Notice.

Grounds for issuing Show Cause Notice

7. Evidence obtained during the investigation to date supports offences under the *Law* within the following areas: Inappropriate discipline and Protection of children from harm and hazards.

Allegation One

3. It is alleged that on 25 January 2024, the Nominated Supervisor failed to ensure that no child being educated and cared for by the Service, was subjected to any form of corporal punishment, in that, a child believed to be ██████████ 11) was forcefully pushed and shouted at by an educator, contravening section 166(2) of the *Law*.

Contraventions Support Allegations

- 24. Evidence gathered appears to support that on 25 January 2024 [REDACTED] was subjected to corporal punishment, in that he was pushed and shouted at by an educator due to his behaviour, contravening section 166(2) of the *Law*.
- 25. Evidence gather appears to support that on 25 January 2024 the Nominated Supervisor failed to take every reasonable precaution to protect children being educated for by the service from harm and hazard, in that a child was pushed and yelled by an educator and while displaying heightened behaviour grabbed a knife and yelled at other children, contravening section 167(2) of the *Law*.
- 26. Authority records indicated that on 25th January 2024, you were the nominated supervisor of the Service. Refer to Attachment C.

Fitness and Propriety as Nominated Supervisor

- 27. *Regulation 117C* provides some guidance on minimum requirements for a nominated supervisor, being that they must:

- a. be over 18 years of age;
 - b. have adequate knowledge and understanding of the provision of education and care to children; and
 - c. have the ability to effectively supervise and manage an education and care service.
28. The concept of fitness and propriety is not fixed. It is dependent on context and requirements of the particular position and may change over time to meet social and political expectations. At minimum, fitness and propriety includes honesty, knowledge and ability.
29. Nominated supervisors have extensive responsibilities under the *Law*, relating to the broad areas of supervision, staffing, protection of children from harm and hazards, and educational programs, with specific obligations contained in both the *Law* and the *Regulations*.
30. Accordingly, to be a fit and proper person to be appointed as nominated supervisor, the person must be honest, have a deep knowledge and understanding of the National Quality Framework (including compliance responsibilities).
31. The nominated supervisor must also possess the ability to manage educators and any other staff, service premises, relationships with families and respond to children with medical and/or behavioural needs.
32. During the investigation, there is no apparent evidence identifying that you ensured [REDACTED] was not subjected to corporal punishment, or inappropriate discipline, or was adequately supported by behaviour guidance plans, communicated to staff by 11 October 2023, being a reasonable precaution to take to ensure children are protected from harm and any hazard, likely to cause injury.
33. This evidence raises a concern about your ability to manage and supervise an education and care service.
34. The purpose of this Show Cause Notice is to provide you with an opportunity to respond to the evidence outlined above, and to specifically address the point of your fitness and propriety to be a nominated supervisor.

Potential Compliance Action

35. The Authority reiterates that no decision has been made at this time – this letter is a step in the investigation process. However, procedural fairness requires that the Authority take this opportunity to advise you of potential compliance actions, if any offences are substantiated and/or the Authority finds that you do not meet the fitness and propriety requirements to be a nominated supervisor. Potential compliance actions are under Part 7 of the *Law*, and include:
- a. Non-statutory action such as a formal caution letter;
 - b. Enforceable undertaking under section 179A of the *Law*; or
 - c. Prohibition from acting in a role as Nominated Supervisor.

36. Relevant legislation for enforceable undertakings and partial prohibition appears below.
37. An enforceable undertaking may include requirements such as undergoing additional training, having a mentor, advising the Authority of any proposed change in employment.
38. A partial prohibition only applies to the role of nominated supervisor and not to the education and care sector as a whole.
39. It may prevent you from being in a role as nominated supervisor if the Authority finds that you are not fit and proper, or it may place conditions on you being in such a role if you are fit and proper but do not possess all the required skills and knowledge.
40. It is not always permanent, and the partial prohibition must be cancelled by the Authority if it is satisfied that there is not a sufficient reason for the it to remain in force.

Section 179A - Enforceable undertakings

- (1) This section applies—
 - (a) if a person has contravened, or if the Regulatory Authority alleges a person has contravened, a provision of this Law; or
 - (b) in the circumstances set out in section 27(a), 72(a) or 184(3).
- (2) If subsection (1)(a) applies, the Regulatory Authority may accept a written undertaking from the person, under which the person undertakes to take certain actions, or refrain from taking certain actions, to comply with this Law.
- (3) If subsection (1)(b) applies in relation to the approved provider of an education and care service, the Regulatory Authority may accept a written undertaking from the approved provider, under which the approved provider undertakes to take certain actions or refrain from taking certain actions in relation to the education and care service.
- (4) If subsection (1)(b) applies in relation to a person other than the approved provider of an education and care service, the Regulatory Authority may accept a written undertaking from the person, under which the person undertakes to take certain actions, or refrain from taking certain actions in relation to an education and care service.
- (5) A person may, with the consent of the Regulatory Authority, withdraw or amend an undertaking.
- (6) The Regulatory Authority may withdraw its acceptance of the undertaking at any time and the undertaking ceases to be in force on that withdrawal.
- (7) The Regulatory Authority may publish on the Regulatory Authority's website an undertaking accepted under this section.

Section 182(3) - Grounds for issuing a prohibition notice

The Regulatory Authority may give a prohibition notice to a person to –

- (a) Prohibit the person from being a nominated supervisor if the Regulatory Authority considers the person is not a fit and proper person to be nominated as a nominated supervisor of a service; or
- (b) Impose one or more conditions on the nomination of the person as a nominated supervisor that the Regulatory Authority considers appropriate, if the Regulatory Authority considers the person is a fit and proper person to be nominated as a nominated supervisor of a service subject to those conditions.

You may, within 14 days of receiving this Notice, make a written submission for the Authority's consideration in deciding if any offences are substantiated and, if so, whether any compliance action should be taken.
