

PROCLAMATION

National Polycystic Kidney Disease Awareness Day

September 4, 2022

Whereas polycystic kidney disease (PKD) causes abnormal cysts to develop and grow in the kidneys and the enlargement of cysts causes kidney function to decline with equal affects for men, women and children – regardless of geography or ethnic origin; and

Whereas polycystic kidney disease (PKD) causes abnormal cysts to develop and grow in the kidneys and the enlargement of cysts causes kidney function to decline with equal affects for men, women and children – regardless of geography or ethnic origin; and

Whereas on Saturday September 24th, a virtual Walk to END PKD will take place nationwide to honour PKD patients and their friends & families fundraising for clinical research and fellowships, which will benefit all PKD patients, including many Kingston residents;

Therefore, I, Mayor Bryan Paterson, on behalf of Kingston City Council, hereby proclaim September 4th, 2022 as “National Polycystic Kidney Disease Awareness Day” in the City of Kingston.

Dated at Kingston this 10th day of August, 2022.

Bryan Paterson
Mayor
