INVITATION TO TENDER - PROCUREMENT OF GOODS

Animator to produce a short film

Tender reference: 2022-16

Date of publication: Tuesday November 29 2022

Deadline for submission: 23.59 CET Monday December 12 2022

Eurodad is a network of 60 NGOs across Europe, working on development finance advocacy. Our focus is on strengthening the power of European CSOs, working as part of a global movement to push governments and powerful institutions to adopt transformative changes to the global economic and financial system. More information can be found on our [website](#).

Within the projects "Supporting long term debt sustainability in the Caribbean region in the post Covid-19 era" financed by the Foundation to Promote Open Society and "From commitments to actions: Increasing public accountability in the lead up to Monterrey+20" financed by the European Union, Eurodad invites tenders for a short animated film with subtitles in at least 5 languages.

Detailed description of the goods

We want to produce an animated film of 90-120 seconds, with subtitles in 5 languages, that makes it clear to our target audiences [mainly civil society organisations, sections of the public and decision-makers] how messy and unfair the debt restructuring process is right now.

The video ultimately aims to inform and strengthen CSOs' advocacy strategy, capacity-building and outreach plans. We will disseminate it with the support of Eurodad members, allies and sister organisations during key influencing moments, such as the UN Financing for Development forum. The film would be shown during hybrid events and as part of social media campaigns.

Selection criteria

Eurodad selects suppliers to be awarded for a contract based on best value for money. For this tender, the following criteria will be considered:

1. Cost. Please note that this film has a maximum budget of €12,000 exc VAT.
2. Quality of previous video animations.
3. Quality of a submitted proposal, including ideas on how the film could be designed and executed
4. A minimum of 5 years' experience in producing animations. Experience of producing films for civil society organisations is desirable.
5. Familiarity with the theme of economic justice would be considered an advantage.
6. Commitment to Eurodad's values.
