From Reaction to Reflection

The Power of a Pause

~ Presenter: Fiona Harkness, RTLB Practice Leader ~

Are you ready to transform challenging classroom moments into powerful learning opportunities?

Learn how to move beyond quick reactions using an intentional pause to engage reflective, positive responses. Find out about the Whakaaro ORA (Observe, Reframe, Act) framework.

- **Observe:** Recognise the communication behind the behaviour of your ākonga.
- **Reframe:** Shift your perspective from challenge to opportunity through a brain-based lens.
- **Act:** Learn strategies that build connection and better long-term outcomes for all ākonga/students.

Register today to unlock the power of a pause in your classroom!

NGĀ TUPU RAU: Quarterly webinars about FASD and neurodivergence for educators in Aotearoa.
