

STRATEGY 2026–2030

FEDERATION
OF COMMUNITY LEGAL CENTRES VIC

OUR VISION

A community that is fair, inclusive and thriving.

OUR PURPOSE

As the peak body for Victorian community legal centres, we exist to transform how Victorians access and experience social justice. We strengthen and unite community legal centres, positioning them to thrive today and into the future. We elevate their influence and represent their collective voice. And we work tirelessly to reform laws and systems – driving change that makes our community just, fair and equitable.

OUR VALUES

We believe in justice. We are purposeful, connected, inclusive and steadfast in all that we do.

OUR KEY ACTIVITIES

Sector leadership and representation	Advocacy, policy and law reform	Coalition building	Accreditation	Capacity building	Strategic sector projects
--------------------------------------	---------------------------------	--------------------	---------------	-------------------	---------------------------

STRATEGIC IMPACT AREAS

A stronger peak body: We have the right people, funding and systems to optimise the impact of our members 	A stronger sector: We drive long-term sustainability, impact and collaboration across the sector through funding advocacy, capacity building and strategic convening 	A stronger community: Our policy and law reform work elevates member and community voices to drive fairer laws and systems 
--	---	---

STRATEGIC PRIORITIES

<p>1a. Ensure our staff, board and interns are skilled, engaged and supported</p> <p>1b. Secure funding that matches the needs of the Federation's activities</p> <p>1c. Embed clear processes to support effective triaging of emerging opportunities and Federation activities</p> <p>1d. Level up the profile of the Federation to be the 'go-to' for government, social services, legal and community partners</p>	<p>2a. Influence funding of the sector through evidence-based advocacy that demonstrates sector impact and value</p> <p>2b. Play a leading role in influencing the shape of the overall legal assistance sector to improve social justice access, impact and outcomes</p> <p>2c. Steward the implementation of the community legal sector's 10-Year Plan, including exploration of a blueprint for the vision of the legal assistance sector</p> <p>2d. Build capacity and support collaboration across the sector, leveraging the diverse skills across our team</p>	<p>3a. Strengthen and support the implementation of the Policy Platform</p> <p>3b. Convene and collaborate on reactive law reform opportunities</p> <p>3c. Advocate for equitable access to legal services for all communities</p> <p>3d. Be allies with our ACCO members and amplify their voices</p>
