Re: ***Reese v. The Bureau of Alcohol, Tobacco, Firearms and Explosives, No. 6:20-cv-01438.***

Dear Judge Summerhays,

The parties are submitting, attached to this letter, a joint proposed judgment in the above captioned matter. The parties have prepared the judgment to conform to the Court's specifications outlined during the telephone conference held on December 16, 2025. The parties respectfully reserve all appeal rights, including the right to challenge the proposed judgment on appeal to the extent that it deviates from their initial proposed judgments. *See* Doc. 78-1 (Sept. 2, 2025); Doc. 79-1 (Sept. 2, 2025).

For example, and without limitation, in line with their briefing on this issue, Plaintiffs do not agree that the remedy should be limited to individuals who are members of the organizational plaintiffs as of the date of entry of the judgment or that the remedy should be limited to members within the geographic bounds of the Fifth Circuit.

Sincerely,

s/ David H. Thompson
