**FIRST AMENDED COMPLAINT FOR
DECLARATORY JUDGMENT AND
INJUNCTIVE RELIEF**

(42 U.S.C. § 1983; Second Amendment)

NOW COME the Plaintiffs, DANIEL AZZOPARDI and SPORTSMAN’S WAREHOUSE, INC., by and through undersigned counsel, and as for the Complaint against the ABOVE-CAPTIONED DEFENDANTS, state as follows:

NATURE OF THE ACTION

1. The State of Oregon is poised to have a flat ban on firearm acquisition in the State while public officials work to implement a recently enacted initiative requiring individuals to have permits to purchase firearms. Unless and until the permit system is up and running, the permit requirement must be enjoined. Whether or not the permit requirement is unconstitutional as a facial matter what certainly is unconstitutional is requiring a *non-existent* permit to exercise a fundamental constitutional right. If New York’s may-issue permitting law was unconstitutional in *Bruen*, it necessarily follows that Oregon’s current *cannot-issue* permitting law likewise is unconstitutional.

2. Even if Oregon’s permitting system were functional, Plaintiff Azzopardi also maintains that it is unconstitutional as designed, because it erects serious barriers to the exercise of the Second Amendment right. In order to acquire a permit, an individual must complete a “firearms training course” that meets statutory criteria, pay a fee, and submit to a potentially lengthy background check process including fingerprinting by the state police. *Even if* those requirements are met, a permit may still be denied.

3. This is an action to uphold the right to keep and bear arms as guaranteed by the Second Amendment to the United States Constitution. The Second Amendment “guarantee[s] the individual right to possess and carry” firearms. *District of Columbia v. Heller*, 554 U.S. 570, 635 (2008).

4. In *McDonald v. City of Chicago*, 561 U.S. 742, 750, 791 (2010), the Supreme Court confirmed that the rights protected by the Second Amendment are “among those fundamental rights necessary to our system of ordered liberty,” and held that the Second Amendment is incorporated as applicable to the states through the Fourteenth Amendment.

5. “[W]hen the Second Amendment’s plain text covers an individual’s conduct, the Constitution presumptively protects that conduct. To justify its regulation . . . the government must demonstrate that the regulation is consistent with this Nation’s historical tradition of firearm regulation.” *New York State Rifle & Pistol Ass’n, Inc. v. Bruen*, 142 S. Ct. 2111, 2126 (2022).

6. The Second Amendment’s protection of “keep[ing]” and “bear[ing]” arms necessarily extends to the right to *acquire* firearms. *Teixeira v. Cnty. of Alameda*, 873 F.3d 670, 677 (9th Cir. 2017) (en banc); *see also Luis v. United States*, 578 U.S. 5, 26–27 (2016) (Thomas, J., concurring).

7. There is no historical tradition of outright banning the sale of all firearms.

8. Pursuant to Oregon Measure 114, when it goes into effect, Oregon will require any individual seeking to acquire a firearm to first acquire a “permit to purchase.” However, as of yet, Oregon *has no system* in place to grant permits to purchase. As a result, until Oregon puts such a system in place, Measure 114 will effectively ban all firearm sales in Oregon.

9. This flat ban on all sales is blatantly unconstitutional and if the Second Amendment is not to become “a second-class right, subject to an entirely different body

of rules than the other Bill of Rights guarantees,” *Bruen*, 142 S. Ct. at 2156 (quoting *McDonald*, 561 U.S. at 78), it must be enjoined by this Court.

10. Once it is effective, the permitting requirement will still fail constitutional scrutiny because of the way it burdens the right to acquire arms for lawful purposes. Indeed, there is no relevant historical tradition in this Country of requiring a permit to acquire a firearm.

JURISDICTION AND VENUE

11. This Court has subject-matter jurisdiction over Plaintiffs’ claims under 28 U.S.C. §§ 1331 & 1343.

12. Plaintiffs seek remedies under 28 U.S.C. §§ 2201 & 2202 and 42 U.S.C. §§ 1983 & 1988.

13. Venue is proper in this Court under 28 U.S.C. § 1391(b)(2).

PARTIES

14. Plaintiff Daniel Azzopardi is a natural person and a citizen of Yamhill County, Oregon. He is not disqualified from lawfully purchasing or possessing firearms and ammunition. Mr. Azzopardi regularly purchase firearms throughout the year and desires and intends to purchase multiple firearms. When Oregon’s “permit-to-purchase” requirement becomes effective on December 8, 2022, he will no longer be able to legally purchase firearms without the new statutorily mandated purchase permit.

15. Plaintiff Sportsman’s Warehouse, Inc. (“Sportsman’s”) is a publicly traded corporation, incorporated under the laws of Delaware, with its principal place of business in Midvale, Utah. Sportsman’s is an outdoor sporting goods retailer which sells apparel, footwear, and gear related to hunting, shooting, camping, fishing, and other outdoor

activities. Sportsman’s has eight stores in Oregon at which it sells firearms. Because Oregon lacks a system for granting permits to purchase firearms, when Measure 114 goes into effect on December 8, 2022, Sportsman’s will not be able to lawfully sell firearms at any of its Oregon stores.

16. Defendant Ellen Rosenblum is sued in her official capacity as Attorney General of the State of Oregon. As Attorney General, Defendant Rosenblum has the power to “advise and direct the district attorneys in all criminal causes and matters relating to state affairs in their respective counties” including in any prosecutions for violations of the laws challenged herein. ORS 180.060(5).

17. Defendant Terri Davie is sued in her official capacity as Superintendent of the Oregon State Police. As Superintendent, Defendant Davie oversees the state police force which has the power to enforce all criminal laws, including the laws challenged herein, throughout the state. ORS 181A.080.

THE LAWS AT ISSUE

18. Under Measure 114, “before a firearm is delivered to a purchaser” by a licensed gun dealer, a purchaser must “present to the gun dealer . . . a valid permit issued under section 4 of this 2022 Act.” *See* Measure 114 § 6(2)(a), *attached hereto as* Exhibit A.

19. The same requirement applies equally to private transfers, *id.* § 7(3)(a), and transfers at “gun shows,” *id.* § 9(1)(a)(A).

20. Measure 114 also provides that in order to acquire a permit-to-purchase a firearm, individuals must apply to their local police chief or county sheriff (or a “permitting agent” designated by one of those officials). *Id.* § 4(1)(a). The application

must be made in-person before the “permitting agent,” *id.* § 4(1)(c), and requires being fingerprinted, photographed, submitting to a background check, and providing “additional information determined necessary by [State Police] rules,” *id.* § 4(1)(b)(D), (1)(c) & (1)(e).

21. The application entails payment of a fee “reflecting the actual cost of the process” that cannot exceed \$65 (or \$50 for a renewal). *Id.* § 4(1)(b)(E), (3)(b) & (7)(c).

22. Applicants must also complete an approved “firearm safety course,” which must include an “[i]n-person demonstration of the applicant’s ability to lock, load, unload, fire and store a firearm before an instructor certified by a law enforcement agency.” *Id.* § 5(8)(c)(C).

23. The \$65 fee does not cover the cost of this required course, which is also borne by the applicant. The Oregon State Sheriffs’ Association currently offers an online-only class (which does not satisfy the live-fire demonstration requirement) which costs \$60 to complete and receive a certificate. *See Oregon CHL and Permit to Purchas Safety Training*, OR. STATE SHERIFFS’ ASSOC., available at <https://oregonchl.org/> (last visited May 7, 2023). If an individual opts to complete a concealed handgun license training course in satisfaction of the training requirement, *see* Act § 4(8)(d), it can cost considerably more. *See, e.g., Oregon Concealed Handgun (Live Fire)*, TRAINING SOLUTIONS INT’L, available at <https://bit.ly/42ef94O> (last visited May 7, 2023) (charging \$150). And even if he is able to pay, it is not clear how an individual without a firearm could complete such a course (which requires attendees to bring a handgun). *Id.*

24. Measure 114 charges the State Police with creating standardized application forms, and a form in quadruplicate to be used by permitting agents in issuing

permit and permits the State Police to “adopt rules to carry out the provisions of this section.” *Id.* § 4(a).

25. Even if an individual completes the required training course and passes the required background check, the permitting agent still has discretion to deny them a license if he determines that they are “reasonably likely to be a danger to self or others, or to the community at large, as a result of the applicant’s mental or psychological state.” *Id.* §§ 4(1)(b)(C), 5(2).

26. The permitting agent is required to issue a permit to purchase within 30 days of receiving an application for one, provided the agent has verified that the applicant is eligible under the terms of the Measure. *Id.* § 4(3)(a).

27. Anyone who sells a firearm to a purchaser who does not have a valid permit-to-purchase commits a misdemeanor punishable by up to 364 days imprisonment and fines of up to \$6,250. *Id.* §§ 6(14), 7(5)(a), & 9(5)(a); ORS 161.615; ORS 161.635.

STATEMENT OF FACTS

28. Measure 114 goes into effect on December 8, 2022. Oregon State Police, *Oregon State Police Firearms Instant Check System (FICS) Update – Oregon*, <https://bit.ly/3TZYw7Y> (Nov. 16, 2022).

29. The State Police issued a statement that it is “working very closely with the Department of Justice, the Oregon State Sheriffs’ Association and the Oregon Association Chiefs of Police to assess the required processes that need to be completed to implement this law.” *Id.*

30. Regarding the required training courses, there has been no guidance on who will qualify as an instructor “certified by a law enforcement agency” to provide the

course, and there is significant uncertainty that an individual who does not yet own a firearm could complete a course requiring a live-fire demonstration *with* a firearm. *See* Measure 114 § 4(8)(c)(D).

31. In effect, Oregon has created a requirement of a permit, but it has not created a system for acquiring a permit. *See* Hannah Ray Lambert, *Hunters fear 'end of firearm sales' until Oregon creates gun permit system*, FOX NEWS, <https://fxn.ws/3OFtIIN> (Nov. 18, 2022).

32. The threat of enforcement of Measure 114, combined with *no existing avenue* for compliance with that law, will effectively shut down the market for firearms in Oregon when it goes into effect.

33. And even if, by the time it becomes effective, some avenue for compliance exists, the permitting system prescribed by Measure 114 unconstitutionally burdens the right to bear arms. Indeed, requiring a permit to acquire a firearm is flatly unconstitutional under *Bruen*.

34. Daniel Azzopardi is a law-abiding, responsible, adult resident of Yamhill County, Oregon.

35. In the intervening time between the passage of Measure 114 and its enactment, Mr. Azzopardi has attempted to purchase firearms but has found that dramatic increases in demand have caused serious background check delays and inventory unavailability that have made his purchases impossible.

36. Mr. Azzopardi desires and intends to purchase additional firearms after December 8, 2022.

37. Because Oregon has not established the relevant infrastructure to apply for and receive a purchase permit, Azzopardi will be categorically prohibited from lawfully purchasing firearms after the law goes into effect.

38. Once Oregon establishes the required infrastructure for granting permits, the permit-to-purchase requirement will still unconstitutionally burden Azzopardi's right to purchase firearms.

39. Sportsman's is a firearms retailer with eight locations in Oregon. Sportsman's has retail locations in Multnomah, Washington, Jackson, Douglas, Marion, Deschutes, Linn, and Klamath Counties. Sportsman's is a publicly traded company.

40. Each Sportsman's location in Oregon is a federally licensed firearm dealer. Last year, Sportsman's sold tens of thousands of firearms in the state, generating tens of millions of dollars in revenue.

41. It is Sportsman's present intention and desire to continue to sell firearms in Oregon. However, once Measure 114 becomes effective, Sportsman's will have to cease selling firearms at all of its locations within Oregon. As a result, it will lose profits from sales of firearms as a direct result of Measure 114.

42. In addition to risking prosecution, Sportsman's could also lose its federal firearms license if it were to sell firearms in violation of Measure 114.

43. As a vendor that is harmed by Measure 114, Sportsman's challenges the ban to vindicate the Second Amendment protected rights of itself and its customers. *See Teixeira*, 873 F.3d at 678; *Ezell v. City of Chicago*, 651 F.3d 684 (7th Cir. 2011).

COUNT I

(On behalf of all Plaintiffs. As-applied, Measure 114 is Unconstitutional Under the Second and Fourteenth Amendments to the United States Constitution.)

44. The foregoing paragraphs are hereby reincorporated herein as if set forth in full.

45. The Second Amendment to the United States Constitution provides: “A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.”

46. Without a permitting system in place, Measure 114 functions as an outright ban on the purchase of firearms in Oregon.

47. An outright ban on purchasing firearms violates the Second Amendment by prohibiting all Oregon residents from acquiring firearms and denying them the fundamental right to keep and bear arms.

48. An outright ban on selling firearms violates the Second Amendment by prohibiting retailers from engaging in commerce necessary for individuals to exercise their fundamental right to keep and bear arms. *Cf. Planned Parenthood of Central Missouri v. Danforth*, 428 U.S. 52, 62 (1976).

49. These restrictions are without historical analogue and must be invalidated under the Second and Fourteenth Amendments.

COUNT II

(On behalf of Plaintiff Azzopardi. Measure 114 is Facially Unconstitutional Under the Second and Fourteenth Amendments to the United States Constitution.)

50. The foregoing paragraphs are hereby reincorporated herein as if set forth in full.

51. Measure 114's permit-to-purchase requirement violates the Second Amendment by imposing unconstitutional delays on the purchase of firearms by law-abiding citizens, denying them the fundamental right to keep and bear arms. Indeed, there is no historical support for requiring a permit to acquire a firearm.

52. Even if permitting were constitutional as a general matter (and it is not) the permitting system created by Measure 114 would still violate the Second Amendment by, for example, allowing permitting agents discretion to deny licenses even to those individuals who have completed the required training course and passed a background check.

53. And Measure 114's requirement that an individual pay a fee to the State, as well as pay for and participate in an approved training course, before being able to purchase a firearm violates the Second Amendment by burdening the right to acquire arms in a way that has no analogue at the Founding.

54. These restrictions are without historical analogue and must be invalidated under the Second and Fourteenth Amendments.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully request that this Honorable Court enter judgment in their favor and against Defendants as follows:

a. As to all Plaintiffs, declare that as long as Measure 114 lacks a system implementing the permitting requirement and functions as a de facto ban on firearm sales in Oregon it violates the right to keep and bear arms as guaranteed by the Second and Fourteenth Amendments to the United States Constitution;

b. As to Plaintiff Azzopardi, declare that Measure 114 is facially unconstitutional and violates the right to keep and bear arms as guaranteed by the Second and Fourteenth Amendments to the United States Constitution;

c. Enjoin Defendants, their officers, agents, servants, employees, and all persons in active concert or participation with them from enforcing the provisions of the Act and all related laws, regulations, policies, practices, and customs that would impede or criminalize the exercise of the right to keep and bear arms;

d. Pursuant to 42 U.S.C. § 1988 award costs and attorneys' fees and expenses to the extent permitted; and

e. Grant any and all other equitable and/or legal remedies as this Court may see fit.

Dated: May 8, 2023.

PREAMBLE

Whereas the People of the State of Oregon have seen a sharp increase in gun sales, gun violence, and raised fear in Oregonians of armed intimidation, it is imperative to enhance public health and safety in all communities; and

Whereas the gun violence in Oregon and the United States, resulting in horrific deaths and devastating injuries due to mass shootings, homicides and suicides is unacceptable at any level, and the availability of firearms, including semiautomatic assault rifles and pistols with accompanying large-capacity ammunition magazines, pose a grave and immediate risk to the health, safety and well-being of the citizens of this State, particularly our youth; and

Whereas Oregon currently has no permit requirements for purchasing a semiautomatic assault firearm or any other type of weapon and studies have shown that permits-to-purchase reduce firearm-related injuries and death and studies further have shown that firearm ownership or access to firearms triples the risk of suicide and doubles the risk of homicide when compared to someone who does not have access, this measure will require that anyone purchasing a firearm must first complete a safety training course, successfully pass a full background check and, only then, will an individual be granted a permit-to-purchase a firearm, so that firearms are kept out of dangerous hands; and

Whereas large-capacity magazines are often associated with semiautomatic assault rifles, and can also be used with many semiautomatic firearms including shotguns and pistols, and estimates suggest that nearly 40% of crime guns used in serious violent crimes, including attacks on law enforcement officers, are equipped with large-capacity magazines; and

Whereas firearms equipped with large-capacity magazines increase casualties by allowing a shooter to continue firing for longer periods of time before reloading, thus explaining their use in all 10 of the deadliest mass shootings since 2009, and in mass shooting events from 2009 to 2018 where the use of large-capacity magazines caused twice as many deaths and 14 times as many injuries, including the 2015 shooting at Umpqua Community College in Roseburg, Oregon in which 10 people were killed and 7 more were injured; and

Whereas restrictions on high-capacity magazines during the 10-year federal ban from 1994-2004 and the ban in over nine (9) states and the District of Columbia have been found to reduce the number of fatalities and injuries in shooting incidents, this measure will enhance the safety of residents, particularly children, of this state by prohibiting the manufacture, sale, or transfer of large-capacity ammunition magazines and regulate the use of such magazines that are currently owned;

Now, therefore:

Be It Enacted by the People of the State of Oregon

SECTION 1. Sections 2 to 11 of this 2022 Act are added to and made a part of ORS 166.210 to 166.490.

SECTION 2. The People of the State of Oregon find and declare that regulation of sale, purchase and otherwise transferring of all firearms and restriction of the manufacture, import, sale, purchase, transfer, use and possession of ammunition magazines to those that hold no more than 10 rounds will promote the public health and safety of the residents of this state and this Act shall be known as the Reduction of Gun Violence Act.

PERMIT-TO-PURCHASE PROCESS

SECTION 4.

(1)(a) A person may apply for a permit-to-purchase a firearm or firearms under this section to the police chief or county sheriff with jurisdiction over the residence of the person making the application, or their designees, hereinafter referred to as "permit agent".

(b) A person is qualified to be issued a permit-to-purchase under this section if the person:

(A) Is not prohibited from purchasing or acquiring a firearm under state or federal law, including but not limited to successfully completing a criminal background check as described under paragraph (e) of this subsection;

(B) Is not the subject of an order described in ORS 166.525 to 166.543;

(C) Does not present reasonable grounds for a permit agent to conclude that the applicant has been or is reasonably likely to be a danger to self or others, or to the community at large, as a result of the applicant's mental or psychological state or as demonstrated by the applicant's past pattern of behavior involving unlawful violence or threats of unlawful violence;

(D) Provides proof of completion of a firearm safety course as defined in subsection (8) of this section; and

(E) Pays the fee described in paragraph (b) of subsection (3) of this section.

(c) An application for a permit under this section must state the applicant's legal name, current address and telephone number, date and place of birth, physical description, and any additional information determined necessary by department rules. The application must be signed by the applicant in front of the permit agent.

(d) The permit agent shall verify the applicant's identity with a government-issued form of identification bearing a photograph of the applicant.

(e) The applicant must submit to fingerprinting and photographing by the permit agent. The permit agent shall fingerprint and photograph the applicant and shall conduct any investigation necessary to determine whether the applicant meets the qualifications described in paragraph (b) of this section. The permit agent shall request the department to conduct a criminal background check, including but not limited to a fingerprint identification, through the Federal Bureau of Investigation. The Federal Bureau of Investigation shall return the fingerprint cards used to conduct the criminal background check and may not keep any record of the fingerprints. Upon completion of the criminal background check and determination of whether the permit applicant is qualified or disqualified from purchasing or otherwise acquiring a firearm the department shall report the results, including the outcome of the fingerprint-based criminal background check, to the permit agent.

(2)(a) If during the background check, the department determines that:

(A) A purchaser is prohibited from possessing a firearm under ORS 166.250 (1)(c), the department shall report the attempted application for a permit, the purchaser's name and any other personally identifiable information to all federal, state and local law enforcement agencies and district attorneys that have jurisdiction over the location or locations where the attempted application for a permit was made and where the permit applicant resides;

(B) Based on the judgment of conviction, the permit applicant is prohibited from possessing a firearm as a condition of probation or that the permit applicant is currently on post-prison supervision or parole, the department shall report the attempted application for a permit to the permit applicant's supervising officer and the district attorney of the county in which the conviction occurred.

(C) The permit applicant is prohibited from possessing a firearm due to a court order described in ORS 166.255 (1)(a), the department shall report the attempted application for a permit to the court that issued the order.

(D) The permit applicant is under the jurisdiction of the Psychiatric Security Review Board, the department shall report the attempted application for a permit to the board.

(b) Reports required by paragraphs (A) to (D) of subsection (2)(a) shall be made within 24 hours after the determination is made, unless a report would compromise an ongoing investigation, in which case the report may be delayed as long as necessary to avoid compromising the investigation.

(c) On or before January 31 of each year, beginning in 2024, the department shall annually publish a report indicating for each county the number of applications made to any permit agent, the number of permits-to-purchase issued and the number of permits-to-purchase denied and the reasons for denial. The department may, by rule, include any additional

information that it determines would be helpful to ensuring the permit-to-purchase process is being administered in a consistent and equitable manner.

(3)(a) Within 30 days of receiving an application for a permit under this section, if the permit agent has verified the applicant's identity and determined that the applicant has met each of the qualifications described in paragraph (1)(b) of this section, the permit agent shall issue the permit-to-purchase.

(b) The permit agent may charge a reasonable fee reflecting the actual cost of the process but shall not exceed \$65, including the cost of fingerprinting, photographing and obtaining a criminal background check.

(4)(a) The department shall develop:

(A) A standardized application form for a permit under this section; and

(B) A form in quadruplicate for use by permit agents in issuing permits under this section.

(b) The issuing permit agent shall maintain a copy of each permit issued under this section.

(c) The person named in a permit shall:

(A) Maintain a copy of the permit as long as the permit is valid.

(B) Present a copy of the permit to the gun dealer or transferor of a firearm when required under ORS 166.412, 166.435, 166.436 or 166.438.

(5)(a) The permit agent shall report the issuance of a permit under this section to the department, and shall provide to the department a copy of the permit and any information necessary for the department to maintain an electronic searchable database of all permits issued under this section. A permit agent revoking a permit shall report the revocation to the department at the time that notice of the revocation has been sent to the permit holder.

(b) The department shall maintain the electronic database described in paragraph (a) of this subsection by ensuring that new permits are added to the database, renewed permits are assigned a new expiration date, and expired or revoked permits are marked expired or revoked but retained in the database.

(6)(a) A permit-to-purchase issued under this section does not create any right of the permit holder to receive a firearm.

(b) A permit-to-purchase issued under this section is not a limit on the number of firearms the permit holder may purchase or acquire during the time period when the permit is valid.

(7)(a) A permit-to-purchase issued under this section is valid for five years from the date of issuance, unless revoked.

(b) A person may renew an unexpired permit issued under this section by repeating the procedures set forth in subsection (1) of this section, except:

(A) A full finger print set does not need to be taken again if the original set has been retained by the permit agent or is otherwise available; and

(B) The training course does not need to be completed, provided the course previously taken fully complies with each of the requirements set forth in subsection 8 of this section.

(c) The permit agent may charge a reasonable fee for renewal of the permit, reflecting the actual cost of the process but shall not exceed \$50, including the cost of obtaining a criminal background check and photographing.

(8) As used in this section, "proof of completion of a firearm safety course" means the following:

(a) Proof of completion of any firearms training course or class available to the general public that is offered by law enforcement, a community college, or a private or public institution or organization or firearms training school utilizing instructors certified by a law enforcement agency, and that includes the components set forth in paragraph (c) of this subsection; or

(b) Proof of completion of any law enforcement firearms training course or class that is offered for security guards, investigators, reserve law enforcement officers, or any other law enforcement officers, and that includes the components set forth in paragraph (c) of this subsection;

(c) A firearms training course or class required for issuance of a permit-to-purchase must include:

(A) Review of federal and state laws in place at the time of the class and other safe practices related to ownership, purchase, transfer, use and transportation of firearms;

(B) Review of federal and state safe storage laws in place at the time of the class and other safe practices related to safe storage, including reporting lost and stolen guns;

(C) Prevention of abuse or misuse of firearms, including the impact of homicide and suicide on families, communities and the country as a whole; and

(D) In-person demonstration of the applicant's ability to lock, load, unload, fire and store a firearm before an instructor certified by a law enforcement agency. This requirement may be met separately from the other course requirements in subparagraphs (A), (B) and (C) of paragraph (c), which may be completed in an on-line course, provided the on-line course has been conducted by a trainer certified by law enforcement.

(d) Proof of successful completion of a training course in order to meet the requirements for a concealed handgun license issued under ORS 166.291 and 166.292 may be submitted for a permit as a substitute for the requirements in paragraph (c) of this subsection, provided the completed course included each of the components set forth in paragraph (c) of this subsection.

(9) The department may adopt rules to carry out the provisions of this section.

PERMIT-TO-PURCHASE DUE PROCESS APPEAL

SECTION 5. (1) If the application for the permit-to-purchase is denied, the permit agent shall set forth in writing the reasons for the denial. The denial shall be placed in the mail to the applicant by certified mail, restricted delivery, within 30 days after the application was made. If no decision is issued within 30 days, the person may seek review under the procedures in subsection (5) of this section.

(2) Notwithstanding subsections (1) to (3) of section 4 of this 2022 Act, and subject to review as provided in subsection (5) of this section, a permit agent may deny a permit-to-purchase if the permit agent has reasonable grounds to believe that the applicant has been or is reasonably likely to be a danger to self or others, or to the community at large, as a result of the applicant's mental or psychological state or as demonstrated by the applicant's past pattern of behavior involving unlawful violence or threats of unlawful violence.

(3)(a) Any act or condition that would prevent the issuance of a permit-to-purchase is cause for revoking a permit-to-purchase.

The notice must contain the grounds for the revocation and must be served either personally or by certified mail, restricted delivery. The notice and return of service shall be included in the file of the permit holder. The revocation is effective upon the permit holder's receipt of the notice.

(4) Any peace officer or corrections officer may seize a permit-to-purchase and return it to the issuing permit agent if the permit is held by a person who has been arrested or cited for a crime that can or would otherwise disqualify the person from being issued a permit. If the person is not charged with a crime within the 30 days, the permit agent shall return the permit unless the permit agent revokes the permit as provided in subsection (3) of this section.

The petition must be filed within 30 days after the receipt of the notice of denial or revocation.

(6) The judgment affirming or overturning the permit agent's decision shall be based on whether the petitioner meets the criteria that are used for issuance of a permit-to-purchase and, if the petitioner was denied a permit, whether the permit agent has reasonable grounds for denial under subsection (2) of this section. Whenever the petitioner has been previously sentenced for a crime under ORS 161.610 (Enhanced penalty for use of firearm during commission of felony) or for a crime of violence for which the person could have received a sentence of more than 10 years, the court shall grant relief only if the court finds that relief should be granted in the interest of justice.

(7) Notwithstanding the provisions of ORS 9.320 (Necessity for employment of attorney), a party that is not a natural person, the state or any city, county, district or other political subdivision or public corporation in this state, without appearance by attorney, may appear as a party to an action under this section.

(8) Petitions filed under this section shall be heard and disposed of within 15 judicial days of filing or as soon as practicable thereafter.

(9) Filing fees for actions shall be as for any civil action filed in the court. If the petitioner prevails, the amount of the filing fee shall be paid by the respondent to the petitioner and may be incorporated into the court order.

(10) Initial appeals of petitions shall be heard de novo.

(11) Any party to a judgment under this section may appeal to the Court of Appeals in the same manner as for any other civil action.
