

Before we get too far into the new year, we want to share deep gratitude and admiration for the impact made by the For Our Kids network in 2022.

The story of For Our Kids is the story of thousands of parents, grandparents and all those who are motivated by love for the kids in their lives to make change happen.

Here's what that love, put into action, looked like in 2022.

[Watch the story in video form, here.](#)

And you can find the stories behind all of these images at forourkids.ca.

Each one of you is part of this story. You might be one of the close to 5,000 members who are part of the network, read these emails, and connect with us.

You might be one of FOK's 3,400 followers on FB or the growing number who interact with us daily as part of our Instagram community.

Maybe you were one of the hundreds who signed the thank you card for six youth leading a battle against the government of Ontario. Or one of the 630 who protested RBC CEO Dave McKay's appointment to the Order of Ontario.

You might have joined a climate strike, participated in a community event led by your local For Our Kids team, supported Indigenous-led actions calling out banks for violating Indigenous rights, taken part in one of the [many actions For Our Kids teams led](#) over the year, or maybe you had a conversation with someone over a coffee about what the world looks like - and could look like - for our kids.

However you connected with this amazing network of parents, grandparents and allies across the country, you are part of making that better world. Please stay tuned! There are big things in store for 2023.

Have you completed our member survey yet? There's still time, and we would love to hear from you! Five to 10 minutes of your time will contribute a lot of knowledge and insight to the network.

[You can fill out the survey here by Friday, Feb. 3](#)

Thanks for taking action for your kids. Remember you can always reach us, your FOK national support team, at hello@forourkids.ca with your questions or comments.
Gabrielle, Lella, Lorna, Natalie & Ruth

For Our Kids parents and teams are grateful to live, work, meet, and act in communities built on the territories of First Nations, Métis and Inuit peoples across Turtle Island.

We recognize the ongoing harm and injustices of colonization and we commit to working toward safe, inclusive, just, equitable and healthy communities for all.

What parent action FOR OUR KIDS looked like in 2022

Speaking from the heart

Connecting - how and where we can

Showing kids we're listening, and we care

Putting ourselves out there

Listening and learning
