

PETITION: PROTECT AND STRENGTHEN ALBERTA'S PUBLIC HEALTH CARE

We, the undersigned residents of Alberta, petition the Legislative Assembly to:

- oppose any and all measures to permit private, two-tier, American-style health care in Alberta;
- repeal Bill 11: the Health Statutes Amendment Act, 2025 (No. 2), and;
- support Alberta's public health care by building up capacity and workforce solutions within the public system.
