Chairman's Common Sense Corner

On the heels of a rousing Founders' Day Gala, a spirited primary, and a truly inspiring celebration of the 250th anniversary of our nation's Declaration of Independence, I write to you with great enthusiasm for the 2026 general election.

While the Left continues to devolve from Socialist ideals toward Marxist Communism, our nominees are campaigning on practical, ethical, and responsible policies that have made our home such an attractive place to live...and their platforms are ... [Read More](#)
