

For just and compassionate communities....

Dear Friends

The Greater Edmonton Alliance (GEA) is an alliance of Faith, Labour, and Community Organizations dedicated to building a base of everyday civic leaders to effectively stand for change they want to see in their communities.

2022 was an exciting year for GEA as we accomplished some of our goals that we had set for ourselves at the end of 2021 but there is still work to be done.

GEA Mental Health Action Research Team

The City of Edmonton adopted the Canadian National Standard for Psychological Safety in the Workplace as official policy.

Please consider joining us this year to continue this work to see that the Standard is fully implemented. You can set up a tax deductible monthly donation or make a one-time donation by visiting our website:

Our Truth and Reconciliation Committee

In 2022 GEA held two Sharing Circles with Indigenous Elders and Knowledge Keepers and took part in the Truth & Reconciliation Day Event ‘ Calling Back Our Spirits’.

Please help us continue this work on our Calls to Action with a tax deductible monthly donation or make a one-time donation by visiting our website:

Living Wage Action Research Team

On November 14, as part of the Alberta Living Wage Network, the 2022 Living Wage amounts were rolled out. No surprise, there was a significant jump in the amount. Help us continue to bring awareness to the plight of many families in the capital region as GEA seeks solutions to this social issue that our communities are facing by donating a tax deductible monthly donation or make a one-time donation by visiting our website:
