Hawai'i Parent Leadership Training Institute

Join a network of other parent leaders, wanting to make positive change for keiki! PLTI is a free program for parents, caregivers, and community members

PLTI teaches you how to identify problems affecting children — in schools, communities, and local and state government — and work toward solutions.

Explore your own passions, strengths, ideas, and develop leadership, interpersonal, and communication skills.

Learn about government and the media, to understand how to engage with the political system to get your voice heard.

Apply for PLTI and get the training you need to change your community!
