#### 2) CORE MESSAGE:

It's time to actually put the people in America first. We do that by meeting everyone's basic human needs. This includes guaranteed housing, universal healthcare and education, UBI, and environmental/infrastructure reform. In doing this, we give people a fighting chance to create a more sustainable model for society that ensures the general welfare of people within our borders for generations to come.

6) ORGANIZING GOALS. What are the principal practical, measurable organizational goals that you would achieve by your 2024 GPUS presidential campaign?

Jasmine Sherman's 2024 GPUS presidential campaign would focus on several principal practical and measurable organizational goals. Firstly, their main goal would be achieving ballot access in all 50 states, ensuring their campaign can be represented nationwide. Secondly, they would strive to reach non-voters, aiming to engage and mobilize individuals who have traditionally abstained from participating in elections. Additionally, they would prioritize expanding mutual aid and organizing efforts, seeking to build grassroots support and community resilience. Coalition building would also be a key objective, as Sherman's campaign would actively collaborate with like-minded organizations and individuals to amplify their message and broaden their impact. Lastly, they would aim to continue participating in debates, as a means to present their ideas and policies to a wide audience, fostering informed discussion and dialogue.

7) CAMPAIGN ORGANIZING. How would you envision your campaign organizing to achieve the organizing goals listed in #6 above?

The Jasmine Sherman for President campaign envisions organizing through various strategies. They aim to leverage social media and technological advancements for rapid outreach to a wider audience. Direct action and mutual aid will be prioritized to attract like-minded individuals and build a strong support base. The campaign will also focus on nurturing relationships established through past coalition-building efforts, aiming to strengthen connections and amplify

the campaign's impact. By combining these approaches, Jasmine Sherman's campaign aims to effectively engage, mobilize, and expand its reach in pursuit of its organizing goals.

8) PARTY-BUILDING. Presidential campaigns are legally independent entities from the political party whose nomination they received. At the same time, an important objective of the party's presidential efforts is to build Green Party capabilities at all levels. How do you envision your campaign working with the greater Green Party to strengthen the different levels of the Party?

The campaign envisions collaborating with the greater Green Party to strengthen the party at different levels. By appealing to younger constituents who may not align with major parties or who abstain from voting, the campaign aims to increase engagement and expand the party's support base. Mutual and direct action efforts would demonstrate the campaign's commitment to progressive values and garner public attention. Leveraging digital campaigning and recruitment strategies would help raise awareness and reach a broader audience. Additionally, the campaign aims to provide resources to educate people and foster more informed voters, thereby strengthening the democratic process and the Green Party's influence.

9) UNIFYING THE PARTY. The GPUS is a diverse party with chapters in urban, suburban and rural communities. It includes native Americans, immigrants, black Americans, and white Americans of many different economic levels. It includes GLBTQ people, straight people, unemployed people, retired people, professionals, union members, business owners and people from many walks of life. What is the vision by which you could be the nominee who receives support from all the diverse members of the Green Party?

Jasmine Sherman's candidacy embodies the true spirit of intersectionality within the GPUS. As a young black, femme presenting transgender, non-binary, queer, and disabled individual, Jasmine's personal experiences and identity allow them to deeply understand the diverse challenges faced by constituents from all walks of life. With a universal approach, Jasmine's platform prioritizes meeting the needs of every member of their constituency, ensuring that people from various backgrounds can identify with and relate to their policies. Whether it's addressing economic disparities, fighting for equal rights, advocating for healthcare access, or promoting inclusive policies, Jasmine Sherman's administration will empower and uplift individuals across the intersections, fostering a thriving society for all.

10) DATA SHARING. After the campaign will you share your email lists and donor lists with the Green Party so that your supporters can be contacted to ask for their continuing support for the Party and its candidates?

☒ Yes, if our members agree to have their information shared.

11) VOTER REGISTRATION. How are you currently registered to vote (party registration, if applicable)? In which state are you registered?

Jasmine Sherman is a registered independent in the state of North Carolina

12) HISTORY WITH GREEN PARTY. What specific offices or positions, if any, have you held within the Green Party at either the state or local level? If none, describe any instances in which you worked in collaboration with Green Party chapters, groups or candidates.
