To the Green Party Candidate Selection Committee,

I, Jasmine Sherman, am pleased to express my formal intent to run for President of the United States as a candidate representing the Green Party. It is with great enthusiasm and commitment to public service that I present my candidacy for this esteemed position. I understand the significance of this decision and the responsibilities that come with it, and I am fully prepared to dedicate myself to the betterment of our nation and its citizens.

Throughout my life, I've been involved in various community initiatives and organizations, advocating for environmental sustainability, social justice, and economic equality. Life experience has provided a profound understanding of the challenges faced by many American people, and I am motivated to bring about lasting change for the benefit of all.

Recognizing the value of maintaining open lines of communication, I assure you that if selected as the Green Party's Presidential candidate, I will prioritize active engagement with the party and its members throughout the entire electoral process. I believe in the power of collaboration and listening to diverse voices, ensuring that the concerns and aspirations of the electorate are at the forefront of my campaign.

In compliance with Section 10-1 of the party's regulations, I am pleased to confirm that I have met the minimum criteria for metrics as specified. On Tuesday, July 18, 2023, at 5:32 PM, I submitted my official application for recognition as a Presidential candidate via email, using the form provided by the Green Party Candidate Selection Committee.

My campaign centers around promoting a sustainable future for our planet, safeguarding our natural resources, fostering inclusive economic growth, advocating for accessible healthcare and education, and addressing systemic inequalities that persist within our society. These issues are not only critical for the well-being of our citizens but also for the long-term prosperity of the United States within a multi polar world.

I firmly believe in the core principles and values of the Green Party, and I am committed to upholding them with unwavering dedication and integrity. I am eager to work alongside the party and its members to amplify our collective voice and bring forth progressive policies that reflect the hopes and dreams of the American people.

I kindly request an opportunity to meet with the Green Party Candidate Selection Committee to further discuss my candidacy and vision for the country. I look forward to providing detailed insights into my policy proposals and plans for a prosperous and sustainable America.

Thank you for considering my candidacy. I am humbled by the opportunity to serve as a representative of the Green Party and to contribute to the democratic process in the United States. Please feel free to contact me at Officialaccount@fatsocialist.com or 803-847-5520 if you require any additional information or documentation.

Sincerely,

Jasmine Sherman
