

Thank you for your interest in getting involved in Hawai'i!

We are on the ballot in Hawai'i. In order to retain ballot access we need to continue to increase registration totals in the state.

The Green Party of Hawai'i is looking for volunteers to help coordinate voter registration drives, party-building efforts, petition, and to be part of campaign teams. Please contact us. [Click here to email gpofhawaii@gmail.com](mailto:gpofhawaii@gmail.com)
