

Thank you for your interest in getting involved in Indiana!

Our focus is on civic action at the local level throughout the Hoosier state. You can help in Indiana with petitioning, mobilizing voters for our candidates, and engaging the public. Please contact the Indiana Ballot Access Coordinator. [Click here to email ballotaccess@greenpartyin.com](mailto:ballotaccess@greenpartyin.com)

Indiana Green Party is considering an appeal of the recent ruling on their legal challenge to the constitutionality of Indiana's ballot access legislation. Indiana has some of the highest ballot access petition signature requirements, and the most restrictive ballot access laws in the country.

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate_bac](https://www.gp.org/donate_bac)
