

Thank you for your interest in getting involved in Massachusetts.

Massachusetts needs people in office who will put ordinary people's interests front and center. We need a living wage for all, excellent public education for all, an end to mass incarceration and unfair taxation, and to have a livable planet now and for future generations. If you agree, we need you to help us put more Green-Rainbow folks in office! Please contact our ballot access coordinator. [Click here to email office@green-rainbow.org](mailto:email_office@green-rainbow.org)

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate_bac](https://www.gp.org/donate_bac)
