

Thank you for your interest in getting involved in Oklahoma.

Presidential candidates pay a very large filing fee for ballot access. Locally, the Green Party can get candidates on the ballot, though. By the process of winning locally, the Green Party in Oklahoma grows, and the 10 key values get reflected in law.

We are looking for people to organize local chapters, and to help coordinate our statewide ballot access efforts. Please contact our ballot access coordinator. [Click here to email bac@gp.org](mailto:bac@gp.org)

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate\\_bac](https://www.gp.org/donate_bac)
