

Thank you for your interest in getting involved in Pennsylvania!

The mission of the Green Party of Pennsylvania is to promote Green values throughout Pennsylvania. Volunteers are essential to this mission. Our values of decentralization and grassroots democracy means that the members run the party. Differences among affiliates are many. Projects and priorities depend on the energy and interests of members. New members and diverse voices are always welcome.

Please contact our ballot access coordinator if you can help with our electoral goals. Click here to email contact@greenwaveofpa.org

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate_bac](https://www.gp.org/donate_bac)
