

Thank you for your interest in getting involved in South Dakota!

We have very exciting news for all SD Residents!

We are close to achieving historic ballot access in South Dakota! Several Green Party supporters in South Dakota have been collecting signatures. We are only one month away from achieving our goal: we only need about 1,500 more signatures by early October to confidently submit our application for ballot access!

The South Dakota Green Party is also in the process of applying to gain official affiliation with the Green Party US federation.

Please volunteer to collect signatures and to join the South Dakota Green Party. [Click here to email info@greenpartysd.org](mailto:info@greenpartysd.org) or call Phone Number (605)307-7272. More information is on the SD page that is not in this pdf.

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate_bac](https://www.gp.org/donate_bac)
